

Welcome to Glenkirk MOPS! We are so glad to have you join our group. From expecting a child until your little one begins Kindergarten, your life has literally been turned on its axis. We understand the unique needs, challenges and joys in this vital season of early mothering and desire to support one another along this journey. MOPS is a place where you can come and experience a place of authentic community, personal growth, practical help and spiritual hope enabling you to be a better mom. Glenkirk MOPS typically meet every other Friday from 9am-12pm. During that time we often begin with brunch and fellowship followed by a speaker or activity centered on children, marriage, parenting and motherhood.

During our meetings our Moppets program provides quality childcare including Christ-centered curriculum, fun crafts and active play time. Our workers are well trained and love working with your kids! In our quest to provide a safe environment for our kids, we only allow YOU to drop off and pick up your child, and any volunteers are screened using Megan's Law

We look forward to a great year as we continue explore this year's theme... "Together on Planet Mom!" We have an exciting semester planned beginning with an adventure on Friday January 15th followed by our first meeting back on campus at Glenkirk on January 29th. Other meeting dates for this semester are January 29th, February 12th, February 26th, March 12th, March 26th and April 23rd. On the following page you will find more details for those meetings including speakers and location.

There are a few other details that we wanted to fill you in on that will help your experience with MOPS run smoothly.

- Our first event that we'd love for you to join us is an adventure to Kid's Island this Friday, January 15th from 9am-12pm. Kids Island is an indoor playground with all age appropriate activities. They even have a separate infant area. They are located at 1313 S. Baldwin in Arcadia. Bring socks for you and your children as well as a snack and or lunch to enjoy while you're there. Please email mops@glenkirkchurch.org to RSVP by January 13th.
- Our first MOPS meeting back on campus at Glenkirk will be Friday January 29th in Glenkirk's Fellowship Hall from 9:00-11:45am. Please note that childcare will be available at 9:00am. You may see our Moppets workers there earlier but they are feverishly setting up the curriculum and will not be able to check anyone in until 9am. (If you end up being a little early go checkout our new playground equipment- the kids will love it!) PLEASE make sure you bring a lunch for your kids and label anything and everything that you bring for their care. This is so important to our care givers!
- Upon arrival in the children's wing you will check in at the table in the center of the quad and we will help direct you to the appropriate rooms. Once in the room, please sign in on the check in sheets and then the workers will help with your child(rens) name tag and any additional labels needed so you can head on over to Fellowship Hall.
- Once in Fellowship Hall you will check in at the registration table and then go and find your tables. The tables will be identified by color and your table leaders will be contacting you shortly to introduce themselves and let you know about the color assigned. Please note that if you are returning from our Fall Semester you will remain at the same table. If you have any questions look for any of our leadership and we'll help you out. We'll all be in red shirts and easily found in the crowd so please don't hesitate to ask.

Finally, we will be taking sign-ups/payments on January 29th for our ever-popular adventures. There are some amazing adventures this year including a trip to the La Habra Kids Museum, Trader Joes, Rainbow Nursery and much more. A schedule of events will be emailed soon so you'll know what the dates are. You don't want to miss any of these adventures with your kids!

For any additional information or questions, please feel free to contact us at mops@glenkirkchurch.org or call (626)914-4833 x. 1714.

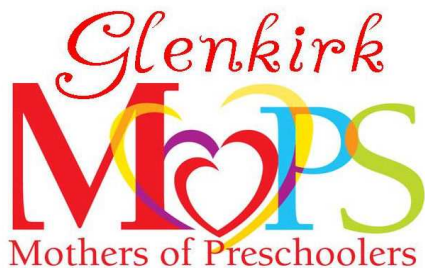

See you soon!
Your MOPS Leadership Team
