We are trying some new ideas to help families send their Jr. High student(s) to camp. Our hope is that camp can be a fun and exciting time for students and their families, and we would love to work together with you in helping make that possible.

Discounts:

Early Bird: \$390 if you sign-up prior to April 30th**

Early Bird & offer to transport campers: \$380 (\$390 after April 30th)

Payment Plans:

This year we are introducing a payment plan. It is our hope that this plan will decrease the financial stress associated with sending students to camp. With a \$150 deposit, 3 more payments of about \$80 over the course of three months will cover the cost of camp.

Scholarships:

Scholarships are available both from Forest Home and Glenkirk. If your student has never applied for a Forest Home scholarship there is a great chance of about ½ of the camp cost will be covered.

Glenkirk also offers scholarship assistance. We will start the scholarship application process after April 30th.

I am very excited about summer camp this year. There is no better way to spend a week of summer with a few hundred Jr. High students! If you have any questions feel free to call (626) 914-4833 ext. 122 or email me at sboss@glenkirkchurch.org.

*Please be aware that the only way we can refund any payments for camp are if we can fill your students spot.

**We are beginning to offer early bird sign-up discounts also. This will allow us time to obtain extra spots to camp per need and availability.
