ALL CHURCH

Update on Worship at Glenkirk Church

We at Glenkirk are seeking to respond proactively, biblically, and in accordance with LA County, state, and national public health guidelines. With the LA County order “safer at home” in force, all events on the Glenkirk Church campus will be postponed or live streamed until this order is lifted. Continue to check your emails for updates and make sure your CCB information is up to date as we will be trying to reach out through various platforms to stay connected and continue to seek God and grow together. You can view more information and access virtual resources online at [GlenkirkChurch.org/news](https://www.glenkirkchurch.org/news).
