Continue to check your emails for updates and make sure your CCB information is up to date as we will be trying to reach out through various platforms to stay connected and continue to seek God and grow together. You can find more information and access resources online at GlenkirkChurch.org/news.

Since the Pandemic began, you have given over \$31K to our Deacon Fund and over \$16K to our Global & Local Missions. We are slightly behind in giving to our General Fund and ask you to prayerfully consider making a donation to support the operation of our church before our fiscal year ends on August 31, 2020.
