FROM PASTOR TIM PECK

Glenkirk Family,

Four and a half years ago I was happily serving as an associate pastor at a large church in Pasadena. I loved what I did, I enjoyed a great relationship with the lead pastor, and I managed an amazing team of ten other pastors and directors. But one day I read the profile of what you were looking for in your next senior pastor. And as I read that profile, I sensed God whisper, “This profile is describing you.” I showed it to my wife Cindy. At first, she laughed, but then she read it again and said, “This profile is describing you.” And that was the start of my journey to become your senior pastor in December of 2018.

As hard as it was to leave that congregation, I have never regretted it. When I told the lead pastor that I would be leaving to become Glenkirk’s senior pastor, with tears in his eyes he said, “I know this is right. I hate it, but I know this is what you’re supposed to do.”

And it was right. It was what I was supposed to do.

No one could’ve anticipated what these first three and a half years at Glenkirk would be like. A contested election, political divisions, riots, and a worldwide pandemic. Many times, these events have driven me to my knees in prayer. Even after 31 years of pastoral experience, I still find myself echoing the words of the apostle Paul: “Not that we are competent in ourselves to claim anything for ourselves, but our competence comes from God. He has made us competent as ministers...” (2 Corinthians 3:5-6 NIV).

As I look to the start of the 2022/23 fiscal year, I believe God is calling us to renew our commitment to Glenkirk’s mission: ***To be a worshipping community, inviting everyone to join in the journey of becoming fully devoted followers of Jesus, loving God and his world.*** God has filled me with urgency to lean into this mission with new energy, passion, and resolve.

It’s an honor to serve as your senior pastor. May God continue to lead us forward together.

Standing with you,

Pastor Tim Peck
